

Craft of the month

November 2009

Jack's sensory bean play

For our pantomime season we based our arts and craft on Jack and the Beanstalk! So we had to incorporate some messy play...

What you will need

- ❖ Bowls
- ❖ Towel
- ❖ Tin opener
- ❖ Tinned beans from the supermarket e.g. baked beans, mixed beans or broad beans
- ❖ Additional things you could use include: spoons, forks, spatulas, mini sieve

What you need to do (*although I'm sure you know what's coming.....*)

1. Open the tin of beans with the tin opener
2. Place the beans into the bowl
3. Have the towel ready with a bowl of warm water
4. Either use your hands or a spoon and get stuck in!
