

Craft of the month

September 2009

Junk model spaceship and rockets

What you will need....

- ❖ Paint
- ❖ Pritt stick or PVA glue
- ❖ Tubes, box's, plastic bottles
- ❖ String
- ❖ Tissue paper, tin foil
- ❖ Paper

What you will need to do

1. Decide if you are going to make either a rocket or spaceship out of tubes, boxes or plastic bottles
2. Decorate either your rocket or spaceship using paint, tissue paper or tin foil
3. Let your rocket or spaceship dry
4. Once dried add string along your rocket and triangle pieces of paper to the bottom to replicate the flames
5. 3,2,1 blast off !
