

Thomley Spring Holiday Workshops and Activities

Please note that an 'open' workshop indicates that bookings will not be made for specific time slots and that everyone at Thomley is welcome to join in with the activity at any time.

- **Thursday 9th & 16th April - Paul Saxton, Football skills and tactics**

Paul Saxton from Oxsrade will be joining us again with players from the Ladies Reading Royals for a fun and flexible football skills session. These **open workshops** will be running throughout the day from **10:30am-2:00pm**.

- **Wednesday 8th (1-3pm) & Thursday 9th April (all day) - Willow den building**

As an added addition to the cycle track we thought a woven living willow den would be the perfect rest stop! Join Sue, a local willow sculptor, to prepare the ground for the den on Wednesday afternoon (lots of digging required!) and to weave on Thursday! This will be an **open workshop**.

- **Thursday 9th April (Teenage day) - Outdoor Fort building with Felipe**

Open workshop from **1pm-3pm**, for everyone to join in, build and create!! In addition to the willow building we thought it would be fun to create lots of forts, dens, castles, wigwams and whatever else you can make out of boxes, tubes and scrap material!

- **Tuesday 14th April - Toddler Day**  **sessions**

Follow Tatty Bumpkin on her spring day adventures! Tatty bumpkin classes, led by Zoe Patmore, are multi sensory classes inspired by Yoga, and involve story-telling, activity, music, and relaxation with simple Yoga moves for families.

Sessions must be **booked in advance**. We will be running 4 sessions between **10.30-11am / 11.15-11.45am / 12.30-1pm / 1.15 -1.45pm**.

- **Wednesday 15th April - 'Furry friends' Zoolab session**

To celebrate Meg and Mog's 1st birthday, we thought we'd invite some of their furry friends from Zoolab! Discover and handle a variety of animals and learn lots of interesting facts.... **Booking is essential**

Available sessions: 10-10.30am / 10.30-11am / 1.30-2pm / 3-3.30pm

- **Saturday 18th April - Woodwork sessions with Paul**

From crazy bird boxes to feathery feeders, Paul is back for the very popular woodwork session. This will be an **open workshop** between **12.30 - 3pm**.
